A HISTORY OF FOREST RIVER

Founded in 1996: Established by Peter Liegl leveraging more than 100 years of US Recreational Vehicles experience with a vision to create superior quality products.

Rapid Growth and Expansion: Quickly became one of the leading RV manufacturers in the U.S., noted for innovation and quality.

Diverse Product Range: Expanded beyond RVs to produce buses, cargo trailers, pontoon boats, and more.

Acquisition by Berkshire Hathaway: In 2005, became a part of Warren Buffett's Berkshire Hathaway, enhancing financial stability and growth potential.

Global Reach: Extended market presence globally, including entry into the Indian market with a range of travel trailers and truck campers.

Commitment to Quality and Innovation: Continuously invested in research and development to improve product quality and introduce new features.

Community and Environmental Focus: Engaged in various community service initiatives and adopted sustainable practices in manufacturing.

Customer-Centric Approach: Emphasis on customer satisfaction, leading to a loyal customer base and strong brand reputation.

VISIONARY AT THE HELM

The Man Powering Club Campers

Kanwal, a Chartered Accountant and CPA by education has worked in corporate world across the globe for over 25 years. A visionary leader and the driving force behind Club Campers, Kanwal is on a mission to give luxury caravanning in India a new meaning. His passion for travel and dedication to quality have paved the way people explore the country, bringing the comfort and elegance of luxury homes to the open road. With an eye for innovation and a commitment to excellence, Kanwal continues to lead Club Campers in his quest to set new benchmarks in the travel industry.

> & with his team..

Led by Kanwal Singh, our team at Club Campers is a blend of experienced professionals and passionate innovators. Together, we're dedicated to revolutionizing travel in India, bringing you the best in luxury, safety, and design.

OUR BRIEF HISTORY

FROM PIONEERS TO LEADERS

From pioneering luxury caravanning in India to leading the market with Forest River's range, Club Campers' journey is a testament to innovation and quality. Explore our path from introducing the first luxury camper to becoming a household name in adventure travel.

2021..

..the idea for Club Campers was sparked, a vision to bring unparalleled luxury and freedom to India's roads. This year marked the beginning of a journey, laying the groundwork for a new era in travel.

2022..

..saw the launch of Club Campers, as the team signed up India Dealership with Forest River, Inc, the world leaders in recreational products. It was a year of hard work, dedication and innovation, setting the stage for what was to come.

2023..

..the team meticulously brought the first line of luxury travel trailers, introducing a new standard of travel in India. The reception was phenomenal, marking the start of many adventurous journeys across the nation.

2024..

..is the year we broaden our horizons with the launch of an exciting range of truck campers and expandable trailers.

FOREST RIVER

VS CONVERSIONS

Long Legacy: Built on a century of experience and expertise in camper design and manufacturing of the North American Industry.

Factory Line Production: High-quality manufacturing process with standardized quality control and efficiency.

Reliability and Durability: Engineered for longevity with robust materials and construction techniques.

Innovative Design: Continuously evolving designs incorporating the latest in comfort, technology, and safety.

Comprehensive Warranty: Backed by a strong warranty, ensuring peace of mind and customer satisfaction.

Exclusive Dealer Network: A dealer that provides accessible sales and service support in the form of Club Campers.

Resale Value: Higher resale value due to brand recognition and reputation for quality.

Customization Options: Variety of models and customization options to meet diverse needs and preferences.

Individualized Crafting: Often hand-built or modified by individuals or small businesses.

Variable Quality: Quality depends on the skill and resources of the builder, leading to potential inconsistencies.

Limited Warranty: Warranties, if offered, are usually limited and not as comprehensive as factory-built models.

Custom but Limited Designs: While offering customization, designs may be constrained by the base vehicle's limitations.

Service and Support Challenges: Lacks a widespread service network, complicating repairs and maintenance.

Inconsistent Availability of Parts: Replacement parts and upgrades may be harder to find due to lack of standardization.

Resale Uncertainty: Resale value can be unpredictable due to lack of brand backing and standardization.

Potential for Personalization: High potential for personalization but may require extensive DIY involvement.

CLUB CAMPERS

SETTING THE BAR IN LUXURY TRAVEL

What Sets Us Apart

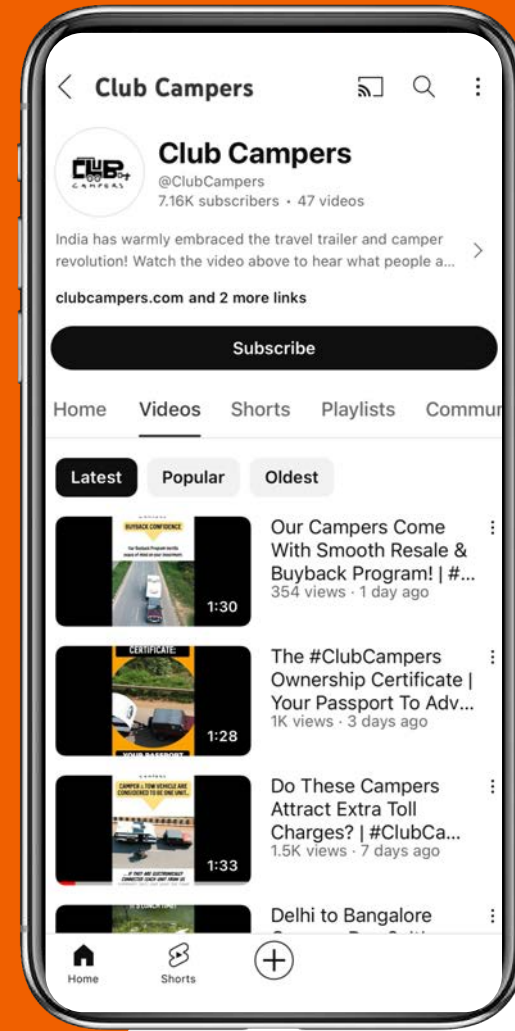

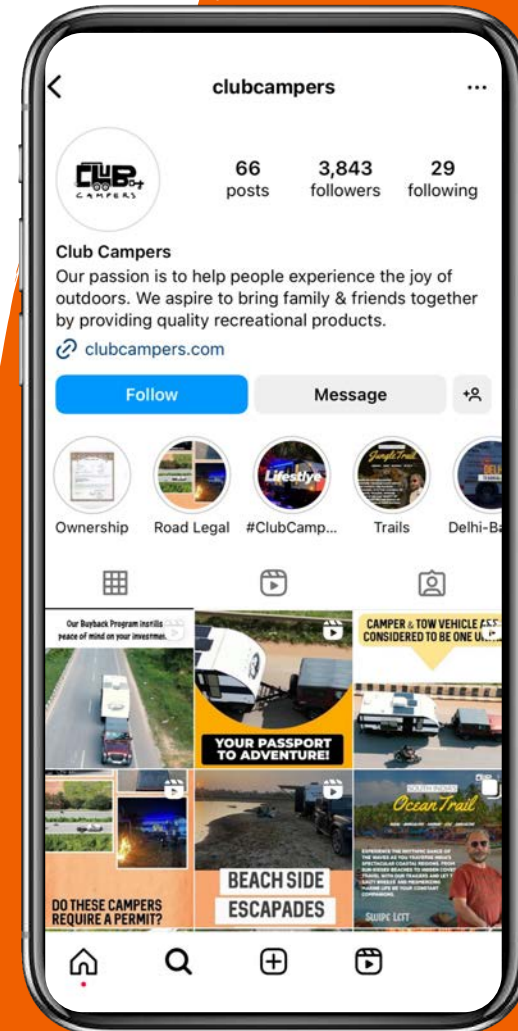

Club Campers stands at the forefront of the Indian luxury travel market, offering **unrivalled quality and innovation**. Our Forest River range sets us apart, delivering exceptional craftsmanship, cutting-edge design, and a customer-centric approach that redefines luxury travel.

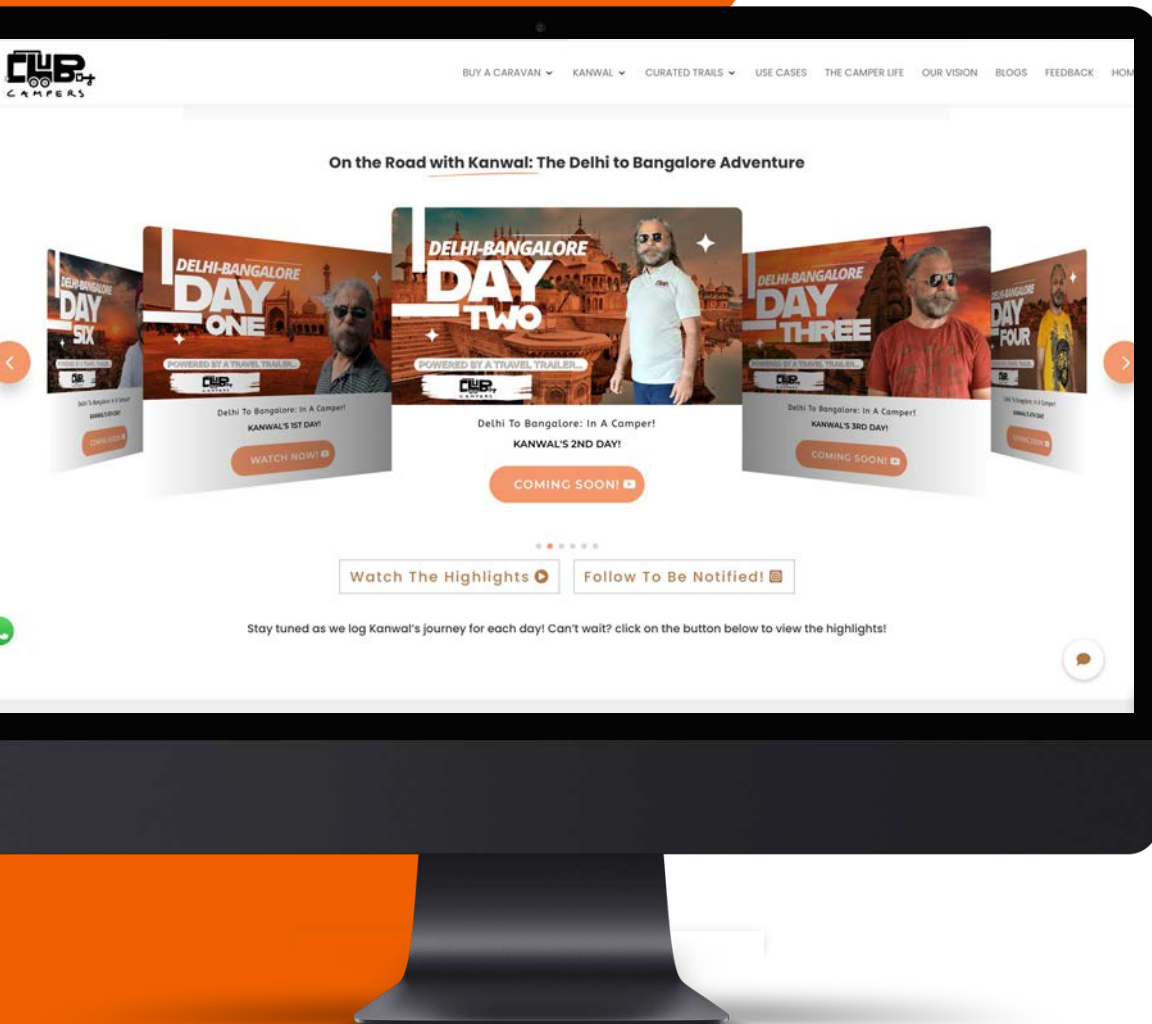

Elevating our commitment to accessibility and convenience, we now introduce **the possibility of joint ownership**. With our certificate of ownership program, customers can enjoy the prestige and pleasure of a luxury camper, making it an attainable investment. This innovative ownership model allows for sharing the joy and costs, opening new avenues for experiencing the grandeur of the great outdoors without the full expense of sole ownership.

Expanding Horizons JOIN THE CLUB

Club Campers presents an innovative solution to extend your hospitality in locations where traditional construction is either impractical or prohibited. Our luxurious campers, designed to comfortably accommodate 6-8 guests, offer a unique and memorable lodging experience, perfectly suited for hotels and resorts looking to expand their offerings in remote or scenic destinations. Imagine the possibilities of setting up premium accommodations in untouched natural settings - be it serene mountains, tranquil beaches, or lush forests, where your guests can immerse themselves in the beauty of nature while enjoying all the comforts of a high-end stay.

With Club Campers, the deployment is swift and efficient, contrasting significantly with the time and expense of conventional construction. This presents an opportunity for rapid expansion of your lodging capacity, enabling you to cater to more guests, especially during peak seasons or special events. Each unit is customizable, allowing you to tailor the interiors to match the unique theme and luxury standards of your establishment, ensuring a seamless integration with your brand's aesthetic and values.

Moreover, by choosing Club Campers, your business aligns with sustainable tourism practices, offering eco-friendly accommodation options that minimize environmental impact. This not only appeals to the growing market of eco-conscious travelers but also demonstrates your commitment to preserving the natural beauty of your locale. In embracing Club Campers, you are not just offering a place to stay; you are providing an unforgettable experience that blends luxury with the allure of the great outdoors, setting your establishment apart in the competitive world of hospitality.
